Civil Action No.: 1:17-cv-00304-WJM-NRN

**NOTICE OF (I) PROPOSED SETTLEMENT AND PLAN OF ALLOCATION;
(II) SETTLEMENT FAIRNESS HEARING; AND (III) MOTION FOR AN AWARD OF
ATTORNEYS' FEES AND REIMBURSEMENT OF LITIGATION EXPENSES**

TO: All persons or entities who purchased or otherwise acquired common stock of DaVita Inc. ("DaVita" or the "Company") during the time period between February 26, 2015 and October 6, 2017, inclusive, (the "Settlement Class Period") and were damaged thereby.

A Federal Court authorized this Notice. This is not a solicitation from a lawyer.

NOTICE OF SETTLEMENT: This notice has been sent to you pursuant to Rule 23 of the Federal Rules of Civil Procedure and an Order of the United States District Court for the District of Colorado ("Court"). Please be advised that the Court-appointed Lead Plaintiffs, Peace Officers' Annuity and Benefit Fund of Georgia ("Georgia Peace Officers") and Jacksonville Police and Fire Pension Fund ("Jacksonville P&F") (together, "Lead Plaintiffs" or "Plaintiffs"), on behalf of themselves and the Court-certified Settlement Class (as defined in paragraph 25 below), have reached a proposed settlement of the above-captioned securities class action (the "Action") for \$135 million dollars (\$135,000,000.00) in cash that, if approved, will resolve all claims in the Action (the "Settlement").

PLEASE READ THIS NOTICE CAREFULLY. This Notice explains important rights you may have, including the possible receipt of cash from the Settlement. If you are a member of the Settlement Class, your legal rights will be affected whether or not you act.

If you have any questions about this Notice, the proposed Settlement, or your eligibility to participate in the Settlement, please DO NOT contact DaVita, any other Defendants in the Action, or their counsel. All questions should be directed to Lead Counsel or the Claims Administrator (see paragraph 87 below).

1. **Description of the Action and the Settlement Class:** This Notice relates to a proposed Settlement of claims in a pending securities class action brought by investors alleging, among other things, that defendant DaVita and defendants Kent J. Thiry, James K. Hilger, and Javier J. Rodriguez (the "Individual Defendants" and together with DaVita, the "Defendants")¹ misrepresented DaVita's business and failed to disclose to investors that DaVita would "steer" Medicare and Medicaid patients onto high-cost commercial insurance plans to obtain dialysis reimbursement rates that were up to ten times higher than the rates that government plans paid for the same dialysis treatments.

¹ All capitalized terms used in this Notice that are not otherwise defined herein shall have the meanings ascribed to them in the Stipulation and Agreement of Settlement dated September 18, 2020 (the "Stipulation"), which is available at www.DaVitaSecuritiesLitigation.com. The singular forms of nouns and pronouns include the plural and vice versa.

Lead Plaintiffs allege that this scheme was facilitated through DaVita's relationship with the American Kidney Fund ("AKF")—a 501(c)(3) charitable organization to which DaVita purportedly "donated" over \$100 million in annual charitable contributions, which the AKF would in turn use to pay the commercial insurance premiums for the patients Plaintiffs allege Defendants had steered. Lead Plaintiffs allege that DaVita's stock price was artificially inflated as a result of Defendants' alleged false and misleading statements and omissions, and that DaVita's stock price declined substantially when the truth regarding Defendants' alleged misrepresentations was revealed. A more detailed description of the Action is set forth in paragraphs 11-24 below. The proposed Settlement, if approved by the Court, will settle claims of the Settlement Class, as defined in paragraph 25 below.

2. **Statement of the Settlement Class's Recovery:** Subject to Court approval, Lead Plaintiffs, on behalf of themselves and the Settlement Class, have agreed to settle the Action in exchange for a settlement payment of \$135,000,000 in cash (the "Settlement Amount") to be deposited into an escrow account. The Net Settlement Fund (i.e., the Settlement Amount plus any and all interest earned thereon (the "Settlement Fund") less (a) any Taxes and Tax Expenses, (b) any Notice and Administration Costs, (c) any Litigation Expenses awarded by the Court, and (d) any attorneys' fees awarded by the Court) will be distributed in accordance with a plan of allocation that is approved by the Court, which will determine how the Net Settlement Fund shall be allocated among members of the Settlement Class. The proposed plan of allocation (the "Plan of Allocation") is set forth in paragraphs 54-71 below.

3. **Estimate of Average Amount of Recovery Per Share:** Based on Lead Plaintiffs' damages expert's estimates of the number of shares of DaVita common stock purchased during the Settlement Class Period that may have been affected by the conduct at issue in the Action and assuming that all Settlement Class Members elect to participate in the Settlement, the estimated average recovery (before the deduction of any Court-approved fees, expenses and costs as described herein) per alleged damaged share (hereinafter the "damaged shares") is \$0.98. Settlement Class Members should note, however, that the foregoing average recovery per share is only an estimate. Some Settlement Class Members may recover more or less than this estimated amount depending on, among other factors, when and at what prices they purchased/acquired and sold their DaVita common stock shares, and the total number and recognized loss amount of valid Claim Forms submitted. Distributions to Settlement Class Members will be made based on the Plan of Allocation set forth herein (*see* paragraphs 54-71 below) or such other plan of allocation as may be ordered by the Court.

4. **Average Amount of Damages Per Share:** The Parties do not agree on the average amount of damages per share that would be recoverable if Lead Plaintiffs were to prevail in the Action. Among other things, Defendants deny each and all the claims and contentions alleged by Lead Plaintiffs in the Action and do not agree with the assertion that they violated the federal securities laws or that any damages were suffered by Lead Plaintiffs or any members of the Settlement Class as a result of their alleged conduct.

5. **Attorneys' Fees and Expenses Sought:** Plaintiffs' Counsel, which have been prosecuting the Action on a wholly contingent basis since its inception in February 2017, have not received any payment of attorneys' fees for their representation of the Settlement Class and have advanced the funds to pay expenses necessarily incurred to prosecute this Action. Court-appointed Lead Counsel Saxena White P.A. will apply to the Court for an award of attorneys' fees in an amount not to exceed thirty percent (30%) of the Settlement Fund. In addition, Lead Counsel will apply for reimbursement of Litigation Expenses paid or incurred in connection with the institution, prosecution, and resolution of the claims against the Defendants, in an amount not to exceed \$750,000, which may include an application for reimbursement of the reasonable costs and expenses incurred by Lead Plaintiffs directly related to their representation of the Settlement Class. Any fees and expenses awarded by the Court will be paid from the Settlement Fund. Settlement Class Members are not personally liable for any such fees or expenses. Estimates of the average cost per damaged share of DaVita common stock, if the Court approves Lead Counsel's fee and expense application, is \$0.30 per damaged share.

6. **Identification of Attorneys' Representative:** Lead Plaintiffs and the Settlement Class are represented by Lester R. Hooker, Esq. of Saxena White P.A., 7777 Glades Road, Suite 300, Boca Raton, FL 33434, (561) 206-6708, lhooker@saxenawhite.com.

7. **Reasons for the Settlement:** Lead Plaintiffs' principal reason for entering into the Settlement is the substantial immediate cash benefit for the Settlement Class without the risk or the delays inherent in further litigation. Moreover, the substantial cash benefit provided under the Settlement must be considered against the significant risk that a smaller recovery — or indeed no recovery at all — might be achieved after further contested motions, a trial of the Action, and the likely appeals that would follow a trial. This process could be expected to last several years. Defendants, who deny all allegations of wrongdoing or liability or any violation of the law whatsoever, are entering into the Settlement solely to eliminate the uncertainty, distraction, time, burden and expense of further protracted litigation.

YOUR LEGAL RIGHTS AND OPTIONS IN THE SETTLEMENT:

<p>SUBMIT A CLAIM FORM POSTMARKED NO LATER THAN MARCH 20, 2021.</p>	<p>This is the only way to be potentially eligible to receive a payment from the Settlement Fund. If you are a Settlement Class Member and you remain in the Settlement Class, you will be bound by the Settlement as approved by the Court, and you will give up any Released Plaintiffs' Claims (defined in paragraph 34 below) that you have against Defendants and the other Defendant Releasees (defined in paragraph 35 below), so it is in your interest to submit a Claim Form.</p>
<p>EXCLUDE YOURSELF FROM THE SETTLEMENT CLASS BY SUBMITTING A WRITTEN REQUEST FOR EXCLUSION SO THAT IT IS RECEIVED NO LATER THAN FEBRUARY 16, 2021.</p>	<p>If you exclude yourself from the Settlement Class, you will not be eligible to receive any payment from the Settlement Fund. This is the only option that allows you ever to be part of any other lawsuit against any of the Defendants or the other Defendant Releasees concerning the Released Plaintiffs' Claims.</p>
<p>OBJECT TO THE SETTLEMENT BY FILING AND SUBMITTING A WRITTEN OBJECTION POSTMARKED NO LATER THAN FEBRUARY 16, 2021.</p>	<p>If you do not like the proposed Settlement, the proposed Plan of Allocation, or the request for attorneys' fees and reimbursement of Litigation Expenses, you may write to the Court and explain why you do not like them. You cannot object to the Settlement, the Plan of Allocation or the fee and expense request unless you are a Settlement Class Member and do not exclude yourself from the Settlement Class.</p>
<p>GO TO A HEARING ON MARCH 30, 2021, AT 10:00 A.M., AND FILE A NOTICE OF INTENTION TO APPEAR NO LATER THAN FEBRUARY 16, 2021.</p>	<p>Filing a written objection and notice of intention to appear by February 16, 2021, allows you to speak in Court, at the discretion of the Court, about the fairness of the proposed Settlement, the Plan of Allocation, or the request for attorneys' fees and reimbursement of Litigation Expenses. If you submit a written objection, you may (but you do not have to) attend the hearing and, at the discretion of the Court, speak to the Court about your objection.</p>
<p>DO NOTHING.</p>	<p>If you are a member of the Settlement Class and you do not submit a valid Claim Form, you will not be eligible to receive any payment from the Settlement Fund. You will, however, remain a member of the Settlement Class, which means that you give up your right to sue about the claims that are resolved by the Settlement and you will be bound by any judgments or orders entered by the Court in the Action.</p>

WHY DID I GET THIS NOTICE?

8. The Court directed that this Notice be mailed to you because you, someone in your family, or an investment account for which you serve as a custodian may have purchased or otherwise acquired DaVita common stock during the Settlement Class Period. The Court has directed us to send you this Notice because, as a potential Settlement Class Member, you have a right to know about your options before the Court rules on the proposed Settlement. Additionally, you have the right to understand how this class action lawsuit may generally affect your legal rights. If the Court approves the Settlement, and the Plan of Allocation (or some other plan of allocation), the claims administrator selected by Lead Plaintiffs and approved by the Court will make payments pursuant to the Settlement after any objections and appeals are resolved.

9. The purpose of this Notice is to inform you of the existence of this case, that it is a class action, how you might be affected, and how to exclude yourself from the Settlement Class if you wish to do so. It is also being sent to inform you of the terms of the proposed Settlement, and of a hearing to be held by the Court to consider the fairness, reasonableness, and adequacy of the Settlement, the proposed Plan of Allocation, and the motion by Lead Counsel for an award of attorneys' fees and reimbursement of Litigation Expenses (the "Settlement Hearing"). See paragraph 78 below for details about the Settlement Hearing, including the date and location of the hearing.

10. The issuance of this Notice is not an expression of any opinion by the Court concerning the merits of any claim in the Action, and the Court still has to decide whether to approve the Settlement. If the Court approves the Settlement and a plan of allocation, then payments to Authorized Claimants will be made after any appeals are resolved and after the completion of all claims processing. Please be patient, as this process can take some time to complete.

WHAT IS THIS CASE ABOUT?

11. The original securities class action complaint in the Action was filed in this District by Georgia Peace Officers on February 1, 2017, alleging violations of Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 (the "Exchange Act") and Rule 10b-5 promulgated thereunder.

12. On November 6, 2017, the Court appointed Georgia Peace Officers and Jacksonville P&F as Lead Plaintiffs pursuant to the requirements of the Private Securities Litigation Reform Act of 1995 and approved Lead Plaintiffs' selection of Lead Counsel and Liaison Counsel.

13. On January 12, 2018, Lead Plaintiffs filed their Amended Class Action Complaint for Violations of the Federal Securities Laws and Jury Trial Demand (“Amended Complaint” or “Complaint”). The Amended Complaint alleges, among other things, that throughout the Settlement Class Period, Defendants made materially false and misleading statements and omissions regarding DaVita’s alleged scheme to “steer” all patients eligible for and/or enrolled in Medicare and/or Medicaid away from government insurance and into high-cost commercial insurance plans in order for DaVita to obtain dialysis reimbursement rates that were up to ten times higher than the rates that government plans paid for the same dialysis treatments. The Amended Complaint alleges that this scheme was facilitated through DaVita’s relationship with the AKF to which DaVita purportedly “donated” over \$100 million in annual charitable contributions, which the AKF would in turn use to pay the commercial insurance premiums for the patients Plaintiffs allege Defendants had steered. The Amended Complaint alleges that DaVita’s stock price was artificially inflated during the Class Period as a result of Defendants’ alleged materially false and misleading statements and omissions, and that DaVita’s stock price declined substantially when the truth regarding Defendants’ alleged misrepresentations was revealed.

14. On March 27, 2018, Defendants filed their motion to dismiss the Complaint. Lead Plaintiffs filed their opposition on June 6, 2018, and on July 20, 2018, Defendants filed their reply. On August 1, 2018, Lead Plaintiffs filed a motion for leave to file a sur-reply, which was subsequently granted by the Court. On March 28, 2019, the Court entered an Order denying Defendants’ motion to dismiss in its entirety. ECF No. 53.

15. Defendants filed their Answer to the Amended Complaint on May 28, 2019. On June 26, 2019, the Court entered a Scheduling Order setting pre-trial deadlines. On September 25, 2019, the Parties held their first mediation session before the Honorable Layn R. Phillips (Ret.). In advance of this mediation session, the Parties submitted substantial materials in support of their respective positions. After exchanging their respective positions on the Action during the mediation session, the mediation concluded without a resolution of the Action.

16. Following the Court’s Order denying Defendants’ motion to dismiss, the Parties commenced discovery, propounding document requests. Lead Plaintiffs sought discovery from DaVita, each of the Individual Defendants, the AKF, and over twenty other third parties, including DaVita’s primary dialysis competitor, Fresenius, multiple private insurance companies and multiple kidney transplant facilities. Defendants sought discovery from Lead Plaintiffs, and Lead Plaintiffs’ expert on market efficiency. Defendants produced on behalf of themselves and their class certification expert, and Lead Plaintiffs reviewed, approximately 761,000 pages of documents in approximately twenty-two separate productions over the course of nearly a full year. Ultimately, the AKF produced, and Lead Plaintiffs reviewed, approximately 75,000 pages of documents. Collectively other third parties produced, and Lead Plaintiffs reviewed, approximately 3,700 pages of documents. Additionally, Lead Plaintiffs produced to Defendants approximately 24,000 pages of documents on behalf of themselves and their market efficiency expert. Coordinating and conducting discovery in this Action required a monumental effort in a limited amount of time.

17. While discovery was underway, on January 31, 2020, Lead Plaintiffs filed their Motion for Class Certification, Appointment of Class Representatives and Appointment of Class and Liaison Counsel. In connection with their motion, Lead Plaintiffs submitted the expert report of Chad Coffman, CFA (ECF No. 83-1), as evidence of market efficiency. In connection with Plaintiffs’ motion for class certification, the Parties took and defended the depositions of Georgia Peace Officers and Jacksonville P&F on May 12, 2020 and May 21, 2020, respectively. The Parties took and defended Mr. Coffman’s deposition on May 27, 2020. On June 29, 2020, Defendants filed their opposition to Plaintiffs’ motion and submitted the expert report of Dr. Vinita Juneja. ECF Nos. 102, 102-1. On July 16, 2020, the Parties took and defended Dr. Juneja’s deposition.

18. On February 24, 2020, Defendants filed a Motion for Partial Reconsideration of the Court’s Order Denying the Motion to Dismiss and amended this motion on February 27, 2020. ECF Nos. 90, 91. In that motion, Defendants argued that the Court should have dismissed 22 out of 27 of the Complaint’s alleged false statements that were based on the claimed illegality of DaVita’s steering scheme. Defendants argued that dismissal on this basis was appropriate because the Department of Justice (“DOJ”) had closed its investigation of DaVita’s misconduct alleged in the Complaint and determined that it would not intervene in a related whistleblower action that was ultimately withdrawn by the claimant. Lead Plaintiffs’ Opposition to Defendants’ Amended Motion for Partial Reconsideration was filed on April 10, 2020. ECF No. 100. Defendants filed their Reply on May 1, 2020. ECF No. 100.

19. On June 8 and 9, 2020, the Parties and Defendants’ directors’ and officers’ liability insurance carriers (the “D&O Insurers”) participated in two mediation sessions with Judge Phillips. Prior to the mediation sessions, each side submitted comprehensive mediation statements and additional materials setting forth their respective positions on various highly disputed legal and factual issues, which included detailed information obtained through the extensive discovery process. During the mediation sessions, the Parties provided detailed presentations concerning their respective views on liability, loss causation and damages. The Parties attended an additional mediation session on Saturday, June 13, 2020. At the conclusion of this fourth mediation session, the Parties still had not reached an agreement.

20. Thereafter, the Parties continued to vigorously litigate the Action. The Parties exchanged privilege logs on June 19, 2020, negotiated the scheduling of an additional ten depositions to take place in August and September 2020, and diligently prepared to take and defend five out of the six depositions Plaintiffs had formally noticed on May 22, 2020. The Parties engaged in extensive, fact-intensive preparatory efforts in anticipation of taking and defending the depositions, and continued class certification-related litigation activities.

21. The Parties re-engaged in settlement discussions with a fifth mediation session on July 16, 2020. While the Parties did not reach agreement on a resolution of the Action during this session, the Parties agreed to continue settlement discussions. To that end, the Parties engaged in a sixth mediation session on Sunday, July 19, 2020. The Parties made additional presentations concerning their respective views of the Action. The following day, on July 20, 2020, Judge Phillips issued a mediator's proposal to resolve the Action for \$135 million and the negotiation of customary terms and conditions. The Parties accepted the mediator's proposal on the evening of July 20, 2020.

22. Based on their investigation, discovery, prosecution and mediation of the case, Lead Plaintiffs and Lead Counsel have concluded that the terms and conditions of the Stipulation are fair, reasonable and adequate to Lead Plaintiffs and the other members of the Settlement Class, and in their best interests. Based on Lead Plaintiffs' oversight of the prosecution of this matter and with the advice of its counsel, Lead Plaintiffs have agreed to settle and release the claims raised in the Action pursuant to the terms and provisions of the Stipulation, after considering, among other things, (a) the substantial financial benefit that Lead Plaintiffs and the other members of the Settlement Class will receive under the proposed Settlement; (b) the significant risks and costs of continued litigation and trial; and (c) the desirability of permitting the proposed Settlement to be consummated as provided by the terms of the Stipulation.

23. The Stipulation and the Settlement constitute a compromise of matters that are in dispute among the Parties. Defendants have entered into the Stipulation solely to eliminate the uncertainty, distraction, time, burden and expense of further protracted litigation. Each of the Defendants has denied and continues to deny any wrongdoing, and the Settlement and Stipulation shall in no event be construed or deemed to be evidence of or an admission or concession on the part of any of the Defendants with respect to any claim or allegation of any fault, liability, wrongdoing, or damage whatsoever, or any infirmity in the defenses that the Defendants have, or could have, asserted. Defendants expressly deny that Lead Plaintiffs have asserted any valid claims as to any of them, and expressly deny any and all allegations of fault, liability, wrongdoing, or damages whatsoever. The Stipulation and the Settlement also shall in no event be construed or deemed to be evidence of or an admission or concession on the part of any Lead Plaintiff of an infirmity in any of the claims asserted in the Action, or an admission or concession that any of the Defendants' defenses to liability had any merit.

24. On October 27, 2020, the Court preliminarily approved the Settlement, authorized this Notice to be disseminated to potential Settlement Class Members, and scheduled the Settlement Hearing to consider, among other things, whether to grant final approval to the Settlement.

HOW DO I KNOW IF I AM AFFECTED BY THE SETTLEMENT? WHO IS INCLUDED IN THE SETTLEMENT CLASS?

25. If you are a member of the Settlement Class, you are subject to the Settlement, unless you timely request to be excluded. The Settlement Class consists of:

All persons and entities who purchased or otherwise acquired DaVita common stock during the period between February 26, 2015 and October 6, 2017, inclusive, and were damaged thereby.

Excluded from the Settlement Class are Defendants, the Officers and directors of DaVita at all relevant times, and all such excluded persons' Immediate Family members, legal representatives, heirs, agents, affiliates, predecessors, successors and assigns, and any entity in which any excluded person has or had a controlling interest. Also excluded from the Settlement Class are those persons who file valid and timely requests for exclusion in accordance with the Preliminary Approval Order. See "What If I Do Not Want To Be A Member Of The Settlement Class? How Do I Exclude Myself?" on page 16 below.

PLEASE NOTE: RECEIPT OF THIS NOTICE DOES NOT MEAN THAT YOU ARE A SETTLEMENT CLASS MEMBER OR THAT YOU WILL BE ENTITLED TO RECEIVE PROCEEDS FROM THE SETTLEMENT. IF YOU ARE A SETTLEMENT CLASS MEMBER AND YOU WISH TO BE POTENTIALLY ELIGIBLE TO PARTICIPATE IN THE DISTRIBUTION OF PROCEEDS FROM THE SETTLEMENT, YOU ARE REQUIRED TO SUBMIT THE CLAIM FORM THAT IS BEING DISTRIBUTED WITH THIS NOTICE AND THE REQUIRED SUPPORTING DOCUMENTATION AS SET FORTH THEREIN POSTMARKED NO LATER THAN MARCH 20, 2021.

WHAT ARE LEAD PLAINTIFFS' REASONS FOR THE SETTLEMENT?

26. Lead Plaintiffs and Lead Counsel believe that the claims asserted against Defendants have merit. They recognize, however, the expense and length of continued proceedings necessary to pursue their claims against Defendants through further motion practice, trial and appeals, as well as the very substantial risks they would face in establishing liability and damages. Lead Plaintiffs and Lead Counsel recognized that Defendants had numerous avenues of attack that could preclude a recovery. For example, among other things, Defendants would assert that the statements were not materially false and misleading, and that even if they were, they were not made with the requisite state of mind to support the securities fraud claim alleged. Even if the hurdles to establishing liability were overcome, the amount of damages that could be attributed to the allegedly false statements would be hotly contested. Lead Plaintiffs would have to prevail at several stages – including, without limitation, Defendants' motion for partial reconsideration, class certification, summary judgment, trial, and if they prevailed on those, on the appeals that were likely to follow. Thus, there were very significant risks attendant to the continued prosecution of the Action.

27. In light of these risks, the amount of the Settlement, and the immediacy of recovery to the Settlement Class, Lead Plaintiffs and Lead Counsel believe that the proposed Settlement is fair, reasonable and adequate, and in the best interests of the Settlement Class. Lead Plaintiffs and Lead Counsel believe that the Settlement provides a substantial benefit to the Settlement Class, namely \$135,000,000 in cash (less the various deductions described in this Notice), as compared to the risk that the claims in the Action would produce a smaller, or no, recovery after resolution of Defendants' motion for partial reconsideration, class certification, summary judgment, trial and appeals, possibly years in the future.

28. Defendants have denied and continue to expressly deny each and all the claims and contentions asserted against them in the Action and deny having engaged in any wrongdoing or violation of law of any kind whatsoever. Defendants have asserted and continue to assert that their conduct was at all times proper and in compliance with all applicable provisions of law, and believe that the evidence developed to date supports their position that they acted properly at all times and that the Action is without merit. In addition, Defendants maintain that they have meritorious defenses to all claims alleged in the Action. Defendants have agreed to the Settlement solely to eliminate the burden and expense of continued litigation. Accordingly, as noted above, the Settlement may not be construed as an admission of any wrongdoing by Defendants.

WHAT MIGHT HAPPEN IF THERE WERE NO SETTLEMENT?

29. If there were no Settlement and Lead Plaintiffs failed to establish any essential legal or factual element of their claims against Defendants, neither Lead Plaintiffs nor the other members of the Settlement Class would recover anything from Defendants. Also, if Defendants were successful in proving any of their defenses, either on reconsideration, at class certification, at summary judgment, at trial or on appeal, the Settlement Class could recover substantially less than the amount provided in the Settlement, or nothing at all.

HOW ARE SETTLEMENT CLASS MEMBERS AFFECTED BY THE ACTION AND THE SETTLEMENT?

30. As a Settlement Class Member, you are represented by Lead Plaintiffs and Lead Counsel, unless you enter an appearance through counsel of your own choice at your own expense. You are not required to retain your own counsel, but if you choose to do so, such counsel must file a notice of appearance on your behalf and must serve copies of his or her appearance on the attorneys listed in the section entitled, "When And Where Will The Court Decide Whether To Approve The Settlement?" below.

31. If you are a Settlement Class Member and do not wish to remain a Settlement Class Member, you may exclude yourself from the Settlement Class by following the instructions in the section entitled, "What If I Do Not Want To Be A Member Of The Settlement Class? How Do I Exclude Myself?" below.

32. If you are a Settlement Class Member and you wish to object to the Settlement, the Plan of Allocation, or Lead Counsel's application for attorneys' fees and reimbursement of Litigation Expenses, and if you do not exclude yourself from the Settlement Class, you may present your objections by following the instructions in the section entitled, "When And Where Will The Court Decide Whether To Approve The Settlement?" below.

33. If you are a Settlement Class Member and you do not exclude yourself from the Settlement Class, you will be bound by any orders issued by the Court. If the Settlement is approved, the Court will enter a judgment (the "Judgment"). The Judgment will dismiss with prejudice the claims against the Defendant Releasees (as defined in paragraph 35 below) and will provide that, upon the Effective Date of the Settlement, Lead Plaintiffs and each of the other Settlement Class Members, on behalf of themselves, and each of their respective current and former heirs, executors, administrators, predecessors, successors, officers, directors, agents, parents, affiliates, subsidiaries, employees, attorneys, assignees and assigns, in their capacities as such, shall be deemed to have, and by operation of the Stipulation, of law, and of the Judgment shall have, fully, finally and forever compromised, settled, released, resolved, relinquished, waived, and discharged each and every Released Plaintiffs' Claim (including Unknown Claims) against the Defendants and the other Defendant Releasees, and shall forever be barred and enjoined from commencing, instituting, prosecuting or continuing to prosecute any action or other proceeding in any court of law or equity, arbitration tribunal or administration forum asserting any or all of the Released Plaintiffs' Claims (as defined in paragraph 34 below).

34. "Released Plaintiffs' Claims" means all claims, demands, losses, rights, liabilities, duties, controversies, obligations, actions, debts, sums of money, suits, contracts, agreements, promises, damages, judgments, allegations, arguments and causes of action whether at law or in equity, whether accrued or unaccrued, whether fixed or contingent, direct, individual or representative, whether class or individual in nature, whether liquidated or unliquidated, whether matured or unmatured, of every nature and description whatsoever, whether known or unknown, whether based on federal, state, local, statutory or common law or any other law, rule or regulation, (including the law of any jurisdiction outside the United States), that were (a) asserted in the Amended Complaint or any complaint filed in this Action; or (b) could have been asserted or could in the future be asserted in any forum that arise out of, are based upon, or are related to any of the allegations, facts, transactions, events, matters, occurrences, acts, disclosures, oral or written statements, representations, omissions, failures to act, filings, publications, disseminations, press releases, or presentations involved, set forth, alleged or referred to in the Action; and that relate in any way, directly or indirectly, to the purchase, acquisition, holding, sale, or disposition of any DaVita securities during the Settlement Class Period. "Released Plaintiffs' Claims" shall not include any claims to enforce this Settlement, any of the claims asserted in the Derivative Action, or Excluded Claims.

35. "Defendant Releasees" means each and all Defendants, Defendants' Counsel, the D&O Insurers, and their respective Related Persons.

36. "Related Persons" means (i) with respect to Defendants, Defendants' Counsel, and the D&O Insurers, each of their respective current and former, Officers, directors, agents, parents, affiliates, subsidiaries, insurers, reinsurers, successors, predecessors, assigns, assignees, employees, attorneys, advisors, members, partners, principals, controlling shareholders, accountants, auditors, insurers and reinsurers of each of the foregoing in their capacities as such; and (ii) with respect to the Individual Defendants, their respective Immediate Family members, heirs, successors, assigns, executors, estates, administrators, attorneys, agents, accountants, insurers or reinsurers, personal representatives, trusts, trustees, community property, legal and personal representatives and any other entity in which any of them has a controlling interest, and as to such entities, each and all of their predecessors, successors, past, present or future parents, subsidiaries, affiliates, assigns, assignees, and each of their respective past or present officers, directors, shareholders, agents, partners, principals, members, employees, attorneys, advisors, trustees, auditors and accountants, insurers and reinsurers.

37. "Unknown Claims" means any Released Plaintiffs' Claims that Lead Plaintiffs or any other Settlement Class Member does not know or suspect to exist in his, her, or its favor at the time of the release of such claims, and any Released Defendants' Claims that any Defendant or any other Defendant Releasee does not know or suspect to exist in his, her, or its favor at the time of the release of such claims, which, if known by him, her, or it might have affected his, her, or its settlement with and release, or might have affected his, her or its decision(s) with respect to this Settlement, including but not limited to, whether or not to object to this Settlement or to the release of any Released Claims. With respect to any and all Released Claims, the Parties stipulate and agree that, upon the Effective Date of the Settlement, Lead Plaintiffs and Defendants shall expressly waive, and each of the other Plaintiff Releasees and Defendant Releasees shall be deemed to have waived, and by operation of the Judgment, shall have expressly waived, any and all provisions, rights, and benefits conferred by California Civil Code §1542 and any law of any state or territory of the United States, or principle of common law or foreign law, which is similar, comparable, or equivalent to California Civil Code §1542, which provides:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

Lead Plaintiffs and Defendants acknowledge that they may hereafter discover facts in addition to or different from those which he, she it, or their counsel now knows or believes to be true with respect to the subject matter of the Released Claims, but the Lead Plaintiffs and Defendants shall expressly settle and release, and each Settlement Class Member, upon the Effective Date, shall be deemed to have, and by operation of the Judgment, shall have, fully, finally and forever settled and released any and all Released Claims, known or unknown, suspected or unsuspected, contingent or non-contingent, which now exist, or heretofore have existed, upon any theory of law or equity now existing or coming into existence in the future, including but not limited to, conduct which is negligent, intentional, with or without malice, or a breach of any duty, law or rule, without regard to the subsequent discovery or existence of such different or additional facts. Lead Plaintiffs and Defendants acknowledge, and each of the other Settlement Class Members and each of the other Plaintiff Releasees and Defendant Releasees shall be deemed by operation of law to have acknowledged, that inclusion of “Unknown Claims” in the definition of Released Plaintiffs’ Claims and Released Defendants’ Claims was separately bargained for and a key element of the Settlement.

38. The Judgment will also provide that, upon the Effective Date of the Settlement, Defendants, on behalf of themselves, and their respective current and former heirs, executors, administrators, predecessors, successors, and assigns, in their capacities as such, shall be deemed to have, and by operation of the Stipulation, of law, and of the Judgment shall have, fully, finally, and forever compromised, settled, released, resolved, relinquished, waived, and discharged each and every Released Defendants’ Claim (as defined in paragraph 39 below) against any of the Plaintiff Releasees (as defined in paragraph 40 below), and shall forever be barred and enjoined from prosecuting any or all of the Released Defendants’ Claims against any of the Plaintiff Releasees.

39. “Released Defendants’ Claims” means all claims, demands, losses, rights, liability, or causes of action, in law or in equity, accrued or unaccrued, fixed or contingent, direct, individual or representative, of every nature and description whatsoever, whether known or unknown, or based on federal, state, local, statutory or common law or any other law, rule or regulation, (including the law of any jurisdiction outside the United States), that were or could have been asserted in the Action or could in the future be asserted in any forum, whether foreign or domestic, against Plaintiff Releasees by Defendants or any member of Defendant Releasees, or their successors, assigns, executors, administrators, representatives, attorneys and agents in their capacity as such, which arise out of, relate to, or are based upon, the institution, prosecution, or settlement of the claims asserted in the Action against the Defendants. Released Defendants’ Claims do not include any claims relating to the enforcement of the Settlement and any claims against any person or entity who or which submits a request for exclusion from the Settlement Class that is accepted by the Court.

40. “Plaintiff Releasees” means Lead Plaintiffs, all other plaintiffs in the Action, Plaintiffs’ Counsel, and all other Settlement Class Members, as well as each of their respective current and former Officers, directors, agents, parents, affiliates, subsidiaries, successors, predecessors, assigns, assignees, employees, and attorneys, in their capacities as such.

41. The Judgment will also provide that, upon the Effective Date, to the extent allowed by law, the Stipulation shall operate conclusively as an estoppel and full defense in the event, and to the extent, of any claim, demand, action, or proceeding brought by a Settlement Class Member against any of the Defendant Releasees with respect to any Released Plaintiffs’ Claim, or brought by a Defendant against any of the Plaintiff Releasees with respect to any Released Defendants’ Claim.

42. The Judgment shall, among other things, provide for the dismissal with prejudice of the Action against the Defendant Releasees, without costs to any Party or the D&O Insurers, except for the payments expressly provided for in the Stipulation.

HOW DO I PARTICIPATE IN THE SETTLEMENT? WHAT DO I NEED TO DO?

43. To be potentially eligible for a payment from the proceeds of the Settlement, you must be a member of the Settlement Class and you must timely complete and return the Claim Form with adequate supporting documentation postmarked no later than **March 20, 2021**. A Claim Form is included with this Notice, or you may obtain one from the website maintained by the Claims Administrator for the Settlement, **www.DaVitaSecuritiesLitigation.com**, or you may request that a Claim Form be mailed to you by calling the Claims Administrator toll free at 888-490-0619. Please retain all records of your ownership of and transactions in DaVita common stock, as they may be needed to document your Claim. If you request exclusion from the Settlement Class or do not submit a timely and valid Claim Form, you will not be eligible to share in the Net Settlement Fund.

HOW MUCH WILL MY PAYMENT BE?

44. At this time, it is not possible to make any determination as to how much any individual Settlement Class Member may receive from the Settlement.

45. Pursuant to the Settlement, Defendants shall pay or cause the D&O Insurers to pay \$135 million dollars (\$135,000,000.00) in cash. The Settlement Amount will be deposited into an escrow account. The Settlement Amount plus any and all interest earned thereon is referred to as the “Settlement Fund.” If the Settlement is approved by the Court and the Effective Date occurs, the “Net Settlement Fund” (that is, the Settlement Fund less (a) all federal, state or local taxes on any income earned by the Settlement Fund and the reasonable costs incurred in connection with determining the amount of and paying taxes owed by the Settlement Fund (including reasonable expenses of tax attorneys and accountants); (b) the costs and expenses incurred in connection with providing notice to Settlement Class Members and administering the Settlement on behalf of Settlement Class Members; and (c) any attorneys’ fees and Litigation Expenses awarded by the Court) will be distributed to Settlement Class Members who submit valid Claim Forms, in accordance with the proposed Plan of Allocation or such other plan of allocation as the Court may approve.

46. The Net Settlement Fund will not be distributed unless and until the Court has approved the Settlement and a plan of allocation, and the time for any petition for rehearing, appeal or review, whether by certiorari or otherwise, has expired.

47. No Defendant Releasee or any person or entity that paid any portion of the Settlement Amount on Defendants’ behalf are entitled to get back any portion of the Settlement Fund once the Court’s order or judgment approving the Settlement becomes Final. Defendants shall not have any liability, obligation, or responsibility for the administration of the Settlement, the disbursement of the Net Settlement Fund, or the Plan of Allocation. In no instance shall any Defendant Releasee be required to pay any amount other than as expressly provided for in the Stipulation.

48. Approval of the Settlement is independent from approval of a plan of allocation. Any determination with respect to a plan of allocation will not affect the Settlement, if approved.

49. Unless the Court otherwise orders, any Settlement Class Member who fails to submit a Claim Form postmarked on or before March 20, 2021, shall be fully and forever barred from receiving payments pursuant to the Settlement, but will in all other respects remain a Settlement Class Member and be subject to the provisions of the Stipulation, including the terms of any Judgment entered and the releases given. This means that each Settlement Class Member releases the Released Plaintiffs’ Claims (as defined in paragraph 34 above) against the Defendant Releasees (as defined in paragraph 35 above) and will be enjoined and prohibited from filing, prosecuting, or pursuing any of the Released Plaintiffs’ Claims against any of the Defendant Releasees whether or not such Settlement Class Member submits a Claim Form.

50. Participants in and beneficiaries of a plan covered by ERISA (“ERISA Plan”) should NOT include any information relating to their transactions in DaVita common stock held through the ERISA Plan in any Claim Form that they may submit in this Action. They should include ONLY those shares that they purchased or acquired outside of the ERISA Plan.

51. The Court has reserved jurisdiction to allow, disallow, or adjust on equitable grounds the Claim of any Settlement Class Member.

52. Each Claimant shall be deemed to have submitted to the jurisdiction of the Court with respect to his, her, or its Claim Form.

53. Only Settlement Class Members, i.e., persons and entities who purchased or otherwise acquired DaVita common stock during the Settlement Class Period and were damaged as a result of such purchases or acquisitions, will be potentially eligible to share in the distribution of the Net Settlement Fund. Persons and entities that are excluded from the Settlement Class by definition or that exclude themselves from the Settlement Class pursuant to request will not be eligible to receive a distribution from the Net Settlement Fund and should not submit Claim Forms. The only security that is included in the Settlement is DaVita common stock.

PROPOSED PLAN OF ALLOCATION

54. The objective of the Plan of Allocation is to equitably distribute the Net Settlement Fund among Authorized Claimants who suffered economic losses as a proximate result of the alleged wrongdoing. The calculations made pursuant to the Plan of Allocation are not intended to be estimates of, nor indicative of, the amounts that Settlement Class Members might have been able to recover after a trial. Nor are the calculations pursuant to the Plan of Allocation intended to be estimates of the amounts that will be paid to Authorized Claimants pursuant to the Settlement. The computations under the Plan of Allocation are only a method to weigh the claims of Authorized Claimants against one another for the purposes of making pro rata allocations of the Net Settlement Fund.

55. The Plan of Allocation was created with the assistance of a consulting damages expert and reflects the assumption that Defendants' alleged false and misleading statements and material omissions proximately caused the price of DaVita common stock to be artificially inflated throughout the Settlement Class Period. In calculating the estimated artificial inflation allegedly caused by Defendants' alleged misrepresentations and omissions, Lead Plaintiffs' damages expert considered price changes in DaVita common stock in reaction to certain public announcements allegedly revealing the truth concerning Defendants' alleged misrepresentations and material omissions, adjusting for price changes that were attributable to market or industry forces.

56. In order to have recoverable damages, the disclosure of the allegedly misrepresented information must be the cause of the decline in the price of DaVita common stock. In this case, Lead Plaintiffs allege that Defendants made false statements and omitted material facts during the period between February 26, 2015 and October 6, 2017, inclusive, which had the effect of artificially inflating the price of DaVita common stock. Lead Plaintiffs further allege that corrective information was released to the market on: August 8, 2016 (after market close), August 18, 2016 (after market close), October 23, 2016 (a Sunday, market closed), January 6, 2017 (after market close), May 2, 2017 (after market close), August 1, 2017 (after market close), September 22, 2017 (during market hours), and October 9, 2017 (before market open), which partially removed the artificial inflation from the price of DaVita common stock on August 9-10, 2016,² August 19, 2016, October 24, 2016, January 9, 2017, May 3-4, 2017,³ August 2, 2017, September 22, 2017, and October 9, 2017.

57. Recognized Loss Amounts are based primarily on the difference in the amount of alleged artificial inflation in the prices of DaVita common stock at the time of purchase or acquisition and at the time of sale, or the difference between the actual purchase price and sale price. Accordingly, in order to have a Recognized Loss under the Plan of Allocation, a Settlement Class Member who or which purchased or otherwise acquired DaVita common stock during the Settlement Class Period must have held those shares through at least one of the dates where new corrective information was released to the market and partially removed the artificial inflation from the price of DaVita common stock.

CALCULATION OF RECOGNIZED LOSS AMOUNTS

58. Based on the formula stated below, a Recognized Loss Amount will be calculated for each purchase or acquisition of DaVita common stock that is listed on the Claim Form and for which adequate documentation is provided. If a Recognized Loss Amount calculates to a negative number or zero under the formula below, that number will be zero.

59. For each share of DaVita common stock purchased or otherwise acquired during the Settlement Class Period (i.e., during the period from February 26, 2015 through and including the close of trading on October 6, 2017), and:

- i. sold before August 9, 2016, the Recognized Loss Amount will be \$0.00.
- ii. sold from August 9, 2016 through and including October 8, 2017, the Recognized Loss Amount will be ***the lesser of:*** (i) the amount of artificial inflation per share on the date of purchase/acquisition as stated in Table A below minus the amount of artificial inflation per share on the date of sale as stated in Table A below; (ii) the purchase/acquisition price minus the sale price.
- iii. sold from October 9, 2017 through and including the close of trading on January 5, 2018, the Recognized Loss Amount will be ***the least of:*** (i) the amount of artificial inflation per share on the date of purchase/acquisition as stated in Table A below; (ii) the purchase/acquisition price minus the average closing price between October 9, 2017 and the date of sale as stated in Table B below; or (iii) the purchase/acquisition price minus the sale price.

² With respect to the partial corrective disclosure that occurred on August 8, 2016, the alleged artificial inflation was removed from the price of DaVita common stock over the following days: Tuesday, August 9, 2016, and Wednesday, August 10, 2016.

³ With respect to the partial corrective disclosure that occurred on May 2, 2017, the alleged artificial inflation was removed from the price of DaVita common stock over the following days: Wednesday, May 3, 2017, and Thursday, May 4, 2017.

- iv. held as of the close of trading on January 5, 2018, the Recognized Loss Amount will be *the lesser of*: (i) the amount of artificial inflation per share on the date of purchase/acquisition as stated in Table A below; or (ii) the purchase/acquisition price minus \$62.45.⁴

ADDITIONAL PROVISIONS

60. **Calculation of Claimant's "Recognized Claim":** A Claimant's "Recognized Claim" will be the sum of his, her, or its Recognized Loss Amounts as calculated above with respect to DaVita common stock.

61. **FIFO Matching:** If a Settlement Class Member made more than one purchase/acquisition or sale of DaVita common stock during the Settlement Class Period, all purchases/acquisitions and sales will be matched on a First In, First Out ("FIFO") basis. Settlement Class Period sales will be matched first against any holdings at the beginning of the Settlement Class Period, and then against purchases/acquisitions in chronological order, beginning with the earliest purchase/acquisition made during the Settlement Class Period.

62. **"Purchase/Sale" Dates:** Purchases or acquisitions and sales of DaVita common stock will be deemed to have occurred on the "contract" or "trade" date as opposed to the "settlement" or "payment" date. The receipt or grant by gift, inheritance, or operation of law of DaVita common stock during the Settlement Class Period shall not be deemed a purchase, acquisition or sale of DaVita common stock for the calculation of a Claimant's Recognized Loss Amount, nor shall the receipt or grant be deemed an assignment of any claim relating to the purchase/acquisition/sale of DaVita common stock unless (i) the donor or decedent purchased or otherwise acquired or sold DaVita common stock during the Settlement Class Period; (ii) the instrument of gift or assignment specifically provides that it is intended to transfer such rights; and (iii) no Claim was submitted by or on behalf of the donor, on behalf of the decedent, or by anyone else with respect to such shares of DaVita common stock.

63. **Short Sales:** The date of covering a "short sale" is deemed to be the date of purchase or acquisition of the DaVita common stock. The date of a "short sale" is deemed to be the date of sale of the DaVita common stock. In accordance with the Plan of Allocation, however, the Recognized Loss Amount on "short sales" and the purchases covering "short sales" is zero.

64. In the event that a Claimant has an opening short position in DaVita common stock, the earliest purchases or acquisitions of DaVita common stock during the Settlement Class Period will be matched against such opening short position and not be entitled to a recovery until that short position is fully covered.

65. **Common Stock Purchased/Sold Through the Exercise of Options:** With respect to DaVita common stock purchased or sold through the exercise of an option, the purchase/sale date of the common stock is the exercise date of the option and the purchase/sale price is the exercise price of the option.

66. **Determination of Distribution Amount:** If the sum total of Recognized Claims of all Authorized Claimants who are entitled to receive payment out of the Net Settlement Fund is greater than the Net Settlement Fund, each Authorized Claimant shall receive his, her, or its pro rata share of the Net Settlement Fund. The pro rata share will be the Authorized Claimant's Recognized Claim divided by the total of Recognized Claims of all Authorized Claimants, multiplied by the total amount in the Net Settlement Fund.

67. If the Net Settlement Fund exceeds the sum total amount of the Recognized Claims of all Authorized Claimants entitled to receive payment out of the Net Settlement Fund, the excess amount in the Net Settlement Fund will be distributed pro rata to all Authorized Claimants entitled to receive payment.

68. If an Authorized Claimant's Distribution Amount calculates to less than \$10.00, no distribution will be made to that Authorized Claimant.

⁴ Pursuant to Section 21D(e)(1) of the Exchange Act, "in any private action arising under this title in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and the mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated to the market." Consistent with the requirements of the Exchange Act, Recognized Loss Amounts are reduced to an appropriate extent by taking into account the closing prices of DaVita common stock during the "90-day look back period," October 9, 2017 through and including January 5, 2018. The mean (average) closing price for DaVita common stock during this 90-day look back period was \$62.45.

69. After the initial distribution of the Net Settlement Fund, the Claims Administrator will make reasonable and diligent efforts to have Authorized Claimants cash their distribution checks. To the extent any monies remain in the Net Settlement Fund nine (9) months after the initial distribution, if Lead Counsel, in consultation with the Claims Administrator, determine that it is cost-effective to do so, the Claims Administrator will conduct a re-distribution of the funds remaining after payment of any unpaid fees and expenses incurred in administering the Settlement, including for such re-distribution, to Authorized Claimants who have cashed their initial distributions and who would receive at least \$10.00 from such re-distribution. Additional re-distribution to Authorized Claimants who have cashed their prior checks and who would receive at least \$10.00 on such additional re-distribution may occur thereafter if Lead Counsel, in consultation with the Claims Administrator, determine that additional re-distribution, after the deduction of any additional fees and expenses incurred in administering the Settlement, including for such re-distribution, would be cost-effective. At such time as it is determined that the re-distribution of funds remaining in the Net Settlement Fund is not cost-effective, the remaining balance will be contributed to non-sectarian, not-for-profit, 501(c)(3) organization(s), to be recommended by Lead Counsel and approved by the Court.

70. Payment pursuant to the Plan of Allocation, or such other plan of allocation as may be approved by the Court, will be conclusive against all Authorized Claimants. No person shall have any claim against Lead Plaintiffs, Plaintiffs' Counsel, Lead Plaintiffs' damages expert, Lead Plaintiffs' consulting experts, Defendants, Defendants' Counsel, or any of the other Plaintiffs' Releasees or Defendants' Releasees, or the Claims Administrator or other agent designated by Lead Counsel arising from distributions made substantially in accordance with the Stipulation, the plan of allocation approved by the Court, or further Orders of the Court. Lead Plaintiffs, the Defendants, and their respective counsel, and all other Defendants' Released Parties, shall have no responsibility or liability whatsoever for the investment or distribution of the Settlement Fund or the Net Settlement Fund; the plan of allocation; the determination, administration, calculation, or payment of any Claim or nonperformance of the Claims Administrator; the payment or withholding of Taxes; or any losses incurred in connection therewith.

71. The Plan of Allocation stated herein is the plan that is being proposed to the Court for its approval by Lead Plaintiffs after consultation with their damages expert. The Court may approve this plan as proposed or it may modify the Plan of Allocation without further notice to the Class. Any Orders regarding any modification of the Plan of Allocation will be posted on the case website, **www.DaVitaSecuritiesLitigation.com**.

**WHAT PAYMENT ARE THE ATTORNEYS FOR THE SETTLEMENT CLASS SEEKING?
HOW WILL THE LAWYERS BE PAID?**

72. Plaintiffs' Counsel have not received any payment for their services in pursuing claims against the Defendants on behalf of the Settlement Class, nor have Plaintiffs' Counsel been reimbursed for their out-of-pocket expenses. Before final approval of the Settlement, Lead Counsel will apply to the Court for an award of attorneys' fees for all Plaintiffs' Counsel in an amount not to exceed thirty percent (30%) of the Settlement Fund. At the same time, Lead Counsel also intends to apply for reimbursement of Litigation Expenses in an amount not to exceed \$750,000, which may include an application for reimbursement of the reasonable costs and expenses incurred by Lead Plaintiffs directly related to their representation of the Settlement Class. The Court will determine the amount of any award of attorneys' fees or reimbursement of Litigation Expenses. Such sums as may be approved by the Court will be paid from the Settlement Fund. Settlement Class Members are not personally liable for any such fees or expenses.

**WHAT IF I DO NOT WANT TO BE A MEMBER OF THE SETTLEMENT CLASS?
HOW DO I EXCLUDE MYSELF?**

73. Each Settlement Class Member will be bound by all determinations and judgments in this lawsuit, whether favorable or unfavorable, unless such person or entity mails or delivers a written request for exclusion from the Settlement Class, addressed to DaVita Securities Litigation, EXCLUSIONS, PO Box 6659, Portland, OR 97228-6659. The exclusion request must be received no later than **February 16, 2021**. You will not be able to exclude yourself from the Settlement Class after that date. Each request for exclusion must (a) state the name, address, and telephone number of the person or entity requesting exclusion, and in the case of entities the name and telephone number of the appropriate contact person; (b) state that such person or entity "requests exclusion from the Settlement Class in *Peace Officers' Annuity and Benefit Fund of Georgia et al. v. DaVita Inc. et al.*, 1:17-cv-00304-WJM-NRN (D. Colo.) (c) state the number of DaVita common stock shares that the person or entity requesting exclusion purchased/acquired and sold during the Settlement Class Period, as well as the dates and prices of each such purchase/acquisition and sale, and the number of shares held at the beginning of the Settlement Class Period; and (d) be signed by the person or entity requesting exclusion or an authorized representative. A request for exclusion shall not be effective unless it provides all the information called for in this paragraph and is received within the time stated above, or is otherwise accepted by the Court.

74. If you do not want to be part of the Settlement Class, you must follow these instructions for exclusion even if you have pending, or later file, another lawsuit, arbitration, or other proceeding relating to any Released Plaintiffs' Claim against any of the Defendant Releasees.

75. If you ask to be excluded from the Settlement Class, you will not be eligible to receive any payment out of the Net Settlement Fund.

76. DaVita has the right to terminate the Settlement if valid requests for exclusion are received from persons and entities entitled to be members of the Settlement Class in an amount that exceeds an amount agreed to by Lead Plaintiffs and DaVita as set forth in a confidential Supplemental Agreement.

**WHEN AND WHERE WILL THE COURT DECIDE WHETHER TO APPROVE THE SETTLEMENT?
DO I HAVE TO COME TO THE HEARING?
MAY I SPEAK AT THE HEARING IF I DON'T LIKE THE SETTLEMENT?**

77. Settlement Class Members do not need to attend the Settlement Hearing. 85. Settlement Class Members do not need to appear at the Settlement Hearing or take any other action to indicate their approval.
